## ESSENTIAL

with Mangosteen, Açai, Aloe Vera & Green Tea

EQ Essential is the health supplement that combines the most protective nutrients from the world's best superfood.

It's in our nature

Some people stay healthier, live longer and age slower as they avoid nutritional gaps in their diet. A nutrient rich diet is key for longevity and optimal health. Even the most health conscious person would find it difficult to get enough nutrients with powerful anti-inflammatory, antioxidant and health-protective effects.

EQ Essential is a complete, ultra-premium daily antioxidant supplement. It contains a full range of vitamins and minerals in addition to plant foods such as Mangosteen extract, Acai, Aloe Vera, flavonoids from Blueberries and Green Tea extract, which are anti-inflammatory nutrients.

These have all been found, in significant amounts, in diets linked to long-term health and longevity. Vitamins and minerals are essential nutrients because they perform hundreds of roles in the body. Essential means that the body can not produce these substances.
